## Tobacco Plastic Pollution Crisis

## **United Nations Treaty to End Plastic Pollution**

Negotiations underway: 2022-2024

Non-Essential >

Cigarette filters serveno purpose; they haveno health benefit.

We must ban non-essential plastics, without absurb cleanup or recycling schemes.

Annex B >

Cigarette butts are the #1 source of litter worldwide.
4.5 trillion cigarette butts are littered every year.

We must ensure plastic tobacco product waste is included

**WHO FCTC >** Ensure the Plastics Treaty does not conflict with or undermine the FCTC.
